⑦ Regional Government Tie-Up Promotion

Daimyo Regional Government Promotion

Japan in Edo Period

Reign of Tokugawa Shogunate
17th – 18th Century

Daimyos are local feudal lords who must march from ruling regions to Edo city once every three months. Daimyos have sold local special goods in Edo city.

Edoverse starts to promote regional authorities or descendants of old Daimyo families to utilize Daimyo mansions in Edo city. Edoverse spares 10 land NFTs for them to utilize the place to promote themselves.
